TRAINING ACADEMY - STUDENT REVIEWS

"The training was absolutely amazing, it was beyond my expectations. Anu is a really good teacher. Both Anu and Jasmine were very supportive and gave great advice on the hair and makeup as well as how we could go away and start up our careers as makeup artists. This course is definitely worth it!"

Najrin Rahman

"I enjoyed everything! I learnt how to do contouring and highlighting without it looking fake. I heard about Anu Malhi Training Academy and after researching the company, it looked amazing. These training sessions have been the best, they have benefited me so much, I knew very little about applying makeup at the beginning and now I can create a full bridal makeup. I hope to be as good as Anu one day, you're an amazing artist and person. Thank you for making this such an amazing experience and welcoming me on the course. I didn't have confidence in applying makeup on others because I thought I didn't have the ability but you made me realise that I do. I thank you all so much you are amazing and give off so much positive vibes. You have made me feel so good about myself, I wish the week didn't go so fast!"

Shaheen Anwary

"I think Anu Malhi is very very professional. She has the right attitude in teaching, very humble with students and very approachable. If only all teachers were like her, genuine, it would inspire more girls to be as good as her (good human being). It is the first ingredient of success. The team have a very pleasant personality and were very helpful. I wish I was 21 and could sit in her training courses 24/7!"

Daksha Jagdish Ghelani

"A very friendly team to work with and very supportive with advice and demonstrations. I enjoyed getting my hands on the right tools to create bridal/reception looks. The training sessions has hugely benefited me. I have learnt so much about hair and makeup for myself and I don't think I would have learnt so much in 5 days through other channels. Thank you so much Anu and Team for all of your support. I wish your team all the very best in continuing to grow bigger and better!"

Kirandeep Kaur Bains

"I enjoyed the hair and have more confidence. It is nice to know that I can contact Anu for any further questions I may have in the future."
